

Senior Tax Compliance Specialist

13/01/2020

Company description:

Our client is an expert in trusts, funds or corporate services based in Luxembourg. In order to strengthen its Tax department, we are currently looking for a Direct Tax Compliance Manager. Joining a team of talented professionals, you will focus on managing corporate income tax compliance & related projects

Function

- Prepare corporate income tax declarations and compute tax provisions
- Support to the implementation of new directives, with the focus on MDR & DAC6
- Act as a point of contact to handle clients' request
- Liaise with the accounting teams where necessary

Searched profile

- Master degree in economics, tax or other relevant area
- Professional experience of at least years in a similar role within a large consulting firm
- Excellent interpersonal skills and clientorientated attitude
- Ability to meet tight deadlines
- Fluent in English, with a good command of French or German

Offer

Our client offers the opportunity to be part of a recently created team with exciting growth perspectives
